

2024-2025 CHAPTER ACTION TEAM (CAT) LEADERS

Chapter Action Teams (CAT) are being formed in every UTLA chapter. These teams divide up the work of communicating with UTLA members in the chapter, with each member taking responsibility for communicating with colleagues whom they see regularly. Ideally, each CAT member will be responsible for communicating with roughly 10 other members in the chapter.

Chapter Action Team Members will:

- Meet regularly with the Chapter Chair and fellow CAT members.
- Take responsibility for regularly communicating with a set group of roughly 10 members about issues of concern in our union chapter and UTLA wide campaigns – including the contract campaign.
- Mobilize co-workers to take action as a union in support of our contract campaign, to defend our rights at the school site, and to defend public education against attacks from corporate privatizers.

As Chapter Chair, I confirm that the following members in my chapter have agreed to join our Chapter Action Team and to carry out the duties of a CAT members listed above.
