This is a rare opportunity, as Attorney Dan Watkins is fighting the good fight with thousands of plaintiffs regarding what happened during the past three years. He's righteously famous within the medical and religious freedom movements helping so many employees get justice, who were disposed of because the c-19 injection went against their beliefs or body.

This was supposed to be the committee's election meeting, but as the election is now supposed to happen at the beginning of the school year due to Constitutional changes, we may instead discuss who would like to run for Chair and the other positions up for grabs, as well as select an election meeting day. The Chair has a voting seat in the HOR.

It would be good to have a Co-Chair, Treasurer, Secretary, Communications Director, Guest Relations Director, and Liaison for the ill, invalid, and retired.
