

STOP THE CARVALHO CUTS RALLY MAY 7

Despite more than \$5 billion in reserves, LAUSD is underfunding our school sites, resulting in schools losing critical positions and programs that we have relied on for years. Students will pay the price if these cuts go through.

LAUSD failed to provide sufficient school-site budget allocations to maintain the school-site-funded positions we have relied on for safety, educational instruction, and student support. In addition, they took back 70% of school site carryover funds.

While LAUSD and Carvalho are trying to blame the pay raises won by UTLA and SEIU Local 99 members, we know that is a lie. They have the money to fund our schools – they are just refusing to do it.

**The LAUSD budget for next year is not final.
Demand Carvalho and the school board reinstate full funding for schools!**

Rally location: LAUSD Headquarters @ Beaudry

Time: 4:30PM

I will join UTLA members from across LAUSD at the May 7 rally to stop the cuts and fully fund schools.
