

CONTRACT CAMPAIGN CHAPTER CHAIR CHECKLIST

Fall 2024

The UTLA contract with LAUSD expires on June 20, 2025. We plan to start negotiations in February already organized and united to fight for what educators and students deserve.

There are four things that Chapter Leaders must do this fall to be ready to win.

I. RECRUIT AND/OR RECONFIRM YOUR CHAPTER ACTION TEAM (CAT)

- The CAT is the organizing committee from your school. Each CAT member takes responsibility for communicating with about 10 members, so that everyone is engaged and involved in the campaign.
- Fill out and submit this form identifying the CAT at your school.

2024-2025 CHAPTER ACTION TEAM (CAT) LEADERS

Chapter Action Teams (CAT) are being formed in every UTLA chapter. These teams divide up the work of communicating with UTLA members. The Chapter Chair will consider being responsible for communicating with colleagues in the chapter regarding membership. This form will be responsible for communicating with roughly 10 other members in the chapter.

Chapter Action Team Members will:

- Meet regularly with the Chapter Chair and fellow CAT members.
- Take responsibility for the regular communication with a group of roughly 10 members about issues of concern in our union chapter and in the workplace.
- Meet to discuss and resolve any issues that may arise.
- Meet to discuss and resolve any issues that may arise.
- Meet to discuss and resolve any issues that may arise.

As Chapter Chair, I confirm that the following members in my chapter have agreed to join our Chapter Action Team and to carry out the duties of a CAT member listed above.

Chapter Chair Name: _____ Date: _____

Chapter: _____ UTLA Area: _____

If you have more than six CATs, submit multiple forms. Please send completed forms to FORMS@UTLA.NET or FAX to (323) 268-4936.

2. ORGANIZE TO WIN THE SCHOOL BOARD CAMPAIGN

- Winning in Board Districts 3 and 5 will set the conditions for our contract fight — that’s why it is important that all chapters join the campaign regardless of what part of the city you are in.
- If you have not yet signed your chapter up for your 2 weekend walk days, do so here.
- Meet with your CAT and develop a plan to get signed commitments from the majority of your chapter to join you on those walk days. Use this sign-up form and be sure to return completed forms to the UTLA office immediately.

3. HOLD ISSUE IDENTIFICATION MEETINGS FOR CONTRACT DEMAND DEVELOPMENT

- UTLA members are developing our contract demands democratically, through a three-step process:
 1. Chapter Leaders will facilitate membership discussions to identify the issues that must be addressed in contract negotiations.
 2. The UTLA Board of Directors and Bargaining Team will review those issues and develop a draft bargaining platform.
 3. After incorporating feedback from Chapter Chairs, the platform of bargaining demands will be put to a vote of all UTLA members for approval.
- Work with your Chapter Action Team to set up a meeting or series of meetings to hold the issue identification discussion.
- Use this facilitation guide and discussion questions.
- Report back on the issues identified by your chapter at this link by October 1.

4. ENGAGE WITH PARENTS

- Start talking to parents at your school about the upcoming contract negotiations. Ask them what is important to them. Share that feedback on the issue identification reporting link above.
- Begin to strengthen your chapter's parent network, so that parents can get involved in the campaign early and help shape the struggle.
