

SEPTEMBER 28 HOUSING JUSTICE MARCH

Starts at 9 am at Pershing Square in DTLA

The housing crisis is destabilizing our schools and communities. Thousands of LAUSD students are unhoused, in danger of losing their housing, or living with multiple families under one roof.

Join Keep LA Housed, community organizations, and labor unions in support of the county affordable housing measure, and to demand 1) wage increases for workers in tourism by the 2028 Olympics and 2) lower rent/living stipends for city workers.

YES, I will join the march for housing justice on Saturday, September 28!
