

MAY 17 RALLY: STOP THE TRUMP-MUSK ATTACK ON THE DEPT OF EDUCATION

Educator unions are organizing mass actions and rallies up and down the state, with delegations by our union siblings to all nine Republican Congressional members in California, on **May 17, 2025.**

The fight is accelerating nationally against the Trump-Musk administration. In a time of massive need in our communities and our schools, Trump and the richest man in the world are gutting public services to redirect even more money to the ultra-rich. They have appointed the CEO of WWE Wrestling to close the Department of Education, setting the stage to go after other public services, including Social Security and Medicaid.

Here in Los Angeles, the Win Our Future: We Can't Wait platform, built by educators and the community, stands in direct opposition to the far-right agenda coming from the federal government. As the LA Times headline phrased it, 'LA teachers union pursues big salary hike and bold ideals in opposition to Trump agenda.'

I will join UTLA members from across LAUSD at the May 17 rally to stand against the Trump-Musk administration.

Los Angeles Rally Location: TBD, info to come

Date & Time: Saturday, May 17 at 11 AM
