

NOVEMBER 6 REGIONAL RALLIES SIGN-UP

After several months at the table, LAUSD has failed to meet the urgent demands of our campaign. **They're sitting on more than \$5 BILLION in reserves while ignoring the urgent needs of our schools and communities.** Our demands are clear:

- Fix the broken salary system with fair pay increases to all staff
- Fully fund health benefits
- Enforce class size maximums and staffing ratios with \$100 a day to the educator for every violation
- Increase student support staffing to meet the needs of the moment - PSWs, PSAs, Psychologists, Counselors
- Relief from unmanageable workloads with increased prep time and targeted class size reduction
- Invest in Community Schools, BSAP, and support for LGBTQIA+ and immigrant students, families, and educators

I will join UTLA members from across LAUSD at the November 6 Regional Rallies at 4 PM to demand that LAUSD makes the urgent and necessary investment our schools deserve.
