

# WE WILL STRIKE IF WE HAVE TO

We have been in negotiations with LAUSD since February 2025. As a union we have presented a comprehensive package of proposals that addresses the needs of educators and students, including improvements in salary, staffing, and student supports.

**LAUSD refuses to negotiate a fair agreement that addresses our critical needs, even though they are sitting on \$5.03 billion in reserves.**

While we will continue to try to reach an agreement, it looks like LAUSD will leave us with no other option but to strike.

**If it is necessary, I will join my co-workers on strike and participate in school site picketing and rallies every day until we reach a fair agreement.**

**CITYWIDE RALLY
