

2026 Strike Readiness SITE LOGISTICS

This document is a planning tool for chapter leaders. Its purpose is to help ensure your site has a clear plan and structure in place. It does not need to be submitted.

I. PICKET LOCATIONS

Identify the entrances and visible areas outside your school where picket lines could be set up.

2. ROLES

Identify members who can take on the following roles to support picket line operations.

Sign-in Coordinator (Chapter Chair): _____

Food/Coffee Team: _____

Picket Captain: _____ Chant Leader: _____

Transportation/Carpooling Lead: _____

Parent Communication Lead: _____

Media Lead: _____

3. PARKING CAPACITY & OVERFLOW LOCATIONS

Are there enough places to park on the street for all UTLA members at your school site, plus any itinerants who may walk with your faculty?

YES

NO

If no, make a list of possible parking sites within a 0.25-mile radius of your school site (places of worship/shopping malls/organizational buildings, etc.):

4. NEARBY FACULTY GATHERING LOCATIONS

List any possible places to meet as a faculty within a 0.25-mile radius of your school site, such as parks or parking lots (may be repeated from above):

5. FOOD & BEVERAGES

List any donut shops, coffee shops, or restaurants that may be willing to donate food and/or beverages. Ask businesses if they would be willing to display a support sign in their window. Take into consideration places that are frequented by the members at your site.

6. RESTROOM ACCESS

List places from #3 and #4 above that will also provide restroom access.

Do you have any neighbors (teachers/friendly parents) who will allow you restroom access?

7. CANOPIES/SHELTER/TABLES

Who can donate the use of free-standing canopies/shelters/tables?
