

CHAPTER CHAIR CHECKLIST

September 2026

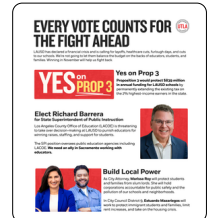

AREA MEETING
MATERIALS

I. KEEP GETTING MEMBERS COMMITTED TO FIGHT CUTS, VOTE, & WALK

- Use the Chapter Meeting presentation (link in the Area meeting follow-up email) to frame up the fight against cuts and to talk about why we need to pass Prop 3 and elect our endorsed candidates.
- Distribute the “No Cuts” buttons and ask members to start wearing them Tuesday, September 29, and then every day after.
- Distribute the “Every Vote Counts” voter guide to members. Walk members through the leaflet and highlight why each of the key races are important.
- Keep getting signups on the updated “We Are United” form (if a member already committed to the actions on the previous form, they do not need to sign again).

2. CONNECT WITH PARENTS ABOUT THE ELECTION

- Meet with your CAT team to organize a morning within the next two weeks for members to leaflet parents and talk about what's at stake in the election.
- Because the leaflet is campaign material, the rules for passing it out are more strict. Review the rules on the flip side of this checklist for passing out political material.

3. FOLLOW UP ON CONTRACT IMPLEMENTATION

- In the last round of negotiations, we won language that gives educators some enforceable ways to address safety concerns and student behavior and gives us more options when these situations come up. Refer to the Student Safety handout from the Area meeting to understand the tools and be ready to use them at your site as needed.

POLITICAL LEAFLETING GUIDELINES

When handing out the voter guide to parents, follow these rules to ensure we are compliant with election law:

- Distribute flyers only to adults.
- Do not put flyers on any parked cars, walls, poles, fences, etc.
- Leafleting must not disrupt normal school operations.
- Leafleting must be done on the public sidewalk without blocking pedestrians (not on school property or around construction) and at least 10 feet from any school entrances and crosswalks.
- If your school is being used as a polling place on Election Day or during early voting, you must leaflet at least 100 feet away from the entrance while the school is being used for polling.
