UTLA-R Membership \$2.38 per month (Automatic CalSTRS Pension Deduction)

I hereby authorize the California State Teachers Retirement Systems (CalSTRS) to make UTLA-R membership deductions certified by UTLA from my monthly benefit and remit such authorized deductions to UTLA for processing.

In consideration for the services provided by CalSTRS, and to the fullest extent permitted by law I hereby (for myself, heirs, representatives and estate) waive, release and forever discharge CalSTRS and its board members, officers, advisors, managers, agents and employees from any and all responsibility, claims, causes of action, lawsuits, liability and/or damages which arise out of or are related to, directly or indirectly, the payment or nonpayment of dues.

I take full and complete responsibility for notifying UTLA of any change in my status or to make any changes relating to this deduction service. Should there be a dues adjustment deemed necessary by UTLA-R, I authorize the adjustment of dues be made and my membership continued. It is understood that my dues deduction will commence two months after this application is received by CalSTRS. In the event I wish to terminate membership, I must inform UTLA-R in writing at the above address.

As a CalSTRS benefit recipient, I am able to request certain deductions for dues and insurance premiums to be automatically deducted from my monthly benefit. The completion of this form authorizes automatic deductions to be set up with CalSTRS for the payment of UTLA association dues and/or insurance premiums from my monthly warrant. To arrange for these deductions, I must complete the UTLA-R Retired Membership Application form and return it to UTLA-R, once authorized, UTLA will instruct CalSTRS to initiate the deductions from your monthly retirement benefit.

Signature Date

Please continue to make premium payments to UTLA-R, if applicable, until the deductions appear on your warrant check stub or direct deposit notice. In the event of a double payment, or if you have any questions regarding the deductions contact UTLA-R directly. UTLA-R will remain your point of contact regarding your premiums and any questions on a status or premium amount change. Requests to cancel premium deductions must be coordinated through UTLA-R.

CalPERS Pensions are not eligible for automatic deductions. Please contact the Retired Committee Membership Chair if you'd like to be a UTLA-R Member
